Sutter Yard (MA 5, 7, 13, and 16)	Yes	December 4, 2013		Discussed process, received input on projects and priorities, received budget and other relevant data for inclusion in the plan.
Public Agencies				
Department of Water Resources	Yes	Team Member		Included in weekly coordination calls, correspondence, and other stakeholder meetings as appropriate.
Sutter Butte Flood Control Agency (SBFCA)	Yes	Team Member		Included in weekly coordination calls, correspondence, and other stakeholder meetings as appropriate.
Yuba County Water Agency	Yes	Team Member		Included in weekly coordination calls, correspondence, and other stakeholder meetings as appropriate.
Three Rivers Levee Improvement Authority (TRLIA)	Yes	Team Member		Included in weekly coordination calls, correspondence, and other stakeholder meetings as appropriate.
Feather RFMP Steering Committee	Yes	September 24, 2013		Direction provided that the plan needed to concentrate more on Agriculture preservation and less on additional setbacks. Region has already provided setbacks and significant habitat improvements. Additional habitat should focus on existing opportunities in the flood corridors before recommending additional areas be put into the floodway.
Yuba County Flood Stakeholder Group	Yes	February 6, 2013		See meeting notes
Yuba County	Yes	August 15, 2012		Discussed process, recommended coordination with IRWMP process and offered assistance on Emergency response planning. Also provided Multi hazard Mitigation Plan as a resource for project info.
Butte County	Yes	April 4, 2013		Discussed process, flood control projects consist of the SBFCA Feather West Levee project.
Placer County	No			
Sutter County	Yes	April 4, 2013		Discussed process, flood control projects consist of the SBFCA Feather West Levee project.
City of Marysville	No			
City of Yuba City	Yes	April 1, 2013		Discussed process, flood control projects consist of the SBFCA Feather West Levee project. City provided information on Multi Hazard Mitigation Plan, Feather River Parkway project, and City master drainage study.
City of Live Oak	Yes	April 1, 2013		Discussed process, flood control projects consist of the SBFCA Feather West Levee project.
City of Gridley	No			Invited but did not attend meeting on April 1, 2013
City of Biggs	Yes	April 1, 2013		Discussed process, flood control projects consist of the SBFCA Feather West Levee project.
City of Wheatland	Yes	August 15, 2012		See meeting notes
Small Community of Rio Oso	Yes	August 28, 2013		Discussed the plan, provided information on potential costs of 100-year improvements (~\$400 plus million), and requested input for known flood issues and restoration opportunities. No formal input has been received.
Small Community of Nicolaus	Yes	August 28, 2013		Discussed the plan, provided information on potential costs of 100-year improvements (~\$400 plus million), and requested input for known flood issues and restoration opportunities. No formal input has been received.
